Re: Colonial Gas Company d/b/a KeySpan Energy Delivery New England and
NSTAR Gas Company, D.T.E. 02-44

Dear Ms. Cottrell:

I have enclosed the responses of NSTAR Gas Company ("NSTAR") and Colonial Gas Company d/b/a KeySpan Energy Delivery New England ("KeySpan") to DTE 1-1, DTE 1-5, DTE 1-6, DTE 1-7, DTE 1-8, DTE 1-9, DTE 1-10 and DTE 1-11 of the Department of Telecommunications and Energy's First Set of Information Requests in the above-referenced matter. The outstanding information requests, DTE 1-2 through DTE 1-4, will be filed as soon as the responses are complete.

I have also enclosed a Certificate of Service. Thank you for your attention to this matter.

Very truly yours,

David S. Rosenzweig

Any Customer
Any Street
Plymouth, MA 00000

Dear Any Customer:

For the past 10 years, Colonial Gas Company and its successor, KeySpan Energy Delivery, have provided your natural gas service. We have appreciated your business.

Effective October 1, 2002, NSTAR Gas will begin providing your natural gas service. This change is a result of a prior contractual agreement whereby KeySpan Energy Delivery provided service until NSTAR Gas had the facilities available in the area to do so. With this change, NSTAR Gas will serve all of Plymouth.

All your customer information will be transferred to NSTAR Gas to ensure that the change in provider will be seamless for you. NSTAR will be mailing you a letter shortly to introduce their programs and services and also provide you with a customer service number.

In early October, you will receive a final bill for your service from KeySpan Energy Delivery for consumption through September 30, 2002. The next bill you receive will be your first bill from NSTAR. If you are currently paying your KeySpan Energy Delivery bill with Direct Pay, NSTAR will include information with their introductory letter about setting up a similar arrangement.

KeySpan Energy Delivery truly appreciates having had the opportunity to serve your home or business with reliable and efficient natural gas. If you have any questions regarding this change and your final billing information, please call us at 1-800-548-8000.

Sincerely,

Nickolas Stavropoulos
President
KeySpan Energy Delivery

Any Customer
1 Main Street
Plymouth, MA 00000

Dear Any Customer,

For years you have been served by NSTAR for your electric service, and now NSTAR Gas will begin providing your natural gas service, effective October 1, 2002. KeySpan Energy Delivery, your current gas utility, has been providing you with service under an agreement with NSTAR Gas, whereby NSTAR Gas would take over the service once NSTAR extended its gas lines to the area. With this system expansion, all of Plymouth will now be served by NSTAR Gas.

We want to assure you that there will be no interruption to your service. You do not need to take any action – the changeover will happen automatically. As a benefit, since you are already served by NSTAR Electric, in many cases you will be able to receive both your electric and gas bill in one envelope and pay with one check.

We have enclosed an informational brochure about some easy payment options we offer for your convenience. In addition, if you were on a budget plan with KeySpan Energy Delivery, someone from NSTAR Gas will contact you shortly about signing up for a budget plan with us.

Sometime in October, you will receive a final KeySpan Energy Delivery bill. In the beginning of November, you will receive your first bill from NSTAR Gas.

NSTAR Gas looks forward to serving you with reliable and efficient natural gas. If you have any questions regarding this changeover or any questions about your gas service, please call us at **1-800-572-9300**.

Sincerely,

Samy Ibrahim
Vice President of Gas Operations
NSTAR Gas

NSTAR FOLLOW-UP POSTCARD

Attachment DTE 1-9(d)

Dear Customer,

Welcome to NSTAR Gas. For years you have been served by NSTAR for your electric service, and effective October 1, 2002, NSTAR Gas began providing your natural gas service under an agreement with KeySpan Energy Delivery, your former gas utility.

NSTAR looks forward to serving you with reliable and efficient natural gas. If you have any questions regarding your gas service, please call us at **1-800-572-9300**.

Sincerely,

Samy Ibrahim
Vice President of Gas Operations
NSTAR Gas

TALKING POINTS FOR NSTAR GAS CALL CENTER**Q. Why is my gas company changing?**

A. Back in 1992, KeySpan Energy Delivery (then Colonial Gas) and NSTAR Gas agreed that KeySpan Energy Delivery would serve customers in parts of Southern Plymouth on an interim basis because KeySpan had gas lines in the area. NSTAR Gas has since brought gas lines to the area and begins serving these customers on October 1, 2002. NSTAR Gas will now be the exclusive provider of natural gas service in Plymouth.

Q. Do I have to do anything?

A. No. The process is automatic. The gas will continue to flow and there will be no interruption of gas. Your customer account information has been transferred over from KeySpan Energy Delivery so your old account will be closed and your new account will be opened automatically.

Q. Do I have to switch?

A. Yes. For practical reasons, all customers in the area have to be switched over simultaneously. In Massachusetts, as throughout the rest of the country, states regulate and identify distribution companies by town. In this case, Massachusetts has designated Plymouth to be served by NSTAR Gas. Until now, there has been a temporary arrangement between the two companies for KeySpan Energy Delivery to serve customers until NSTAR Gas extended its gas lines in the area.

Q. Will my gas bill go up?

A. Prices are very similar between the two companies so as long as your use stays the same, there should be very little impact on your bill.

Q. I was on Direct Pay with KeySpan Energy Delivery – can I do the same with NSTAR Gas?

A. If you are interested in this convenient way to pay your bill, please re-apply for Direct Pay with NSTAR Gas. We apologize for this inconvenience, but the re-application process is necessary because it involves private banking information requiring routing numbers and your signature. I'd be happy to send you an application, or you can print one from our website.

Q. What about budget billing?

A. Our budget season starts now, so if you are interested in being placed on a budget, tell me what your average bill with KeySpan Energy Delivery was and I will set you up with that amount starting this month.

Q. Will my meter reading date and billing dates change?

A. Yes. Your meter will now be read closer to the beginning of the month to coincide with our meter reading schedule in the area.

Q. Can I get my NSTAR Gas bill and NSTAR Electric bill in one envelope?

A. Absolutely. As long as the names are identical on both the electric and gas accounts, you will receive both bills in one envelope and as long as you include both stubs showing the amount to be paid for each account in the return envelope, you can pay with one check. If the names are not the same, we'd be happy to change both accounts into your name so that you can get them together.

Q. I am on a service plan with KeySpan Home Energy Services – do I have to switch service plans?

A. No. However, if you are interested, NSTAR Gas also offers a service plan called the Home Heating Protection Plan.

Request:

Provide the dollar amount associated with investments in the geographic areas affected by the transfer that were included in the rate base in Colonial Gas Company's last rate case. Please provide supporting documentation.

Response

The net book value of Plymouth assets being transferred by Colonial Gas Company to NSTAR Gas Company as of December 31, 1992 is \$557,563. This amount would have been included in the 1992 test year (the date of the last rate case). Please see Attachment DTE 1-10.
